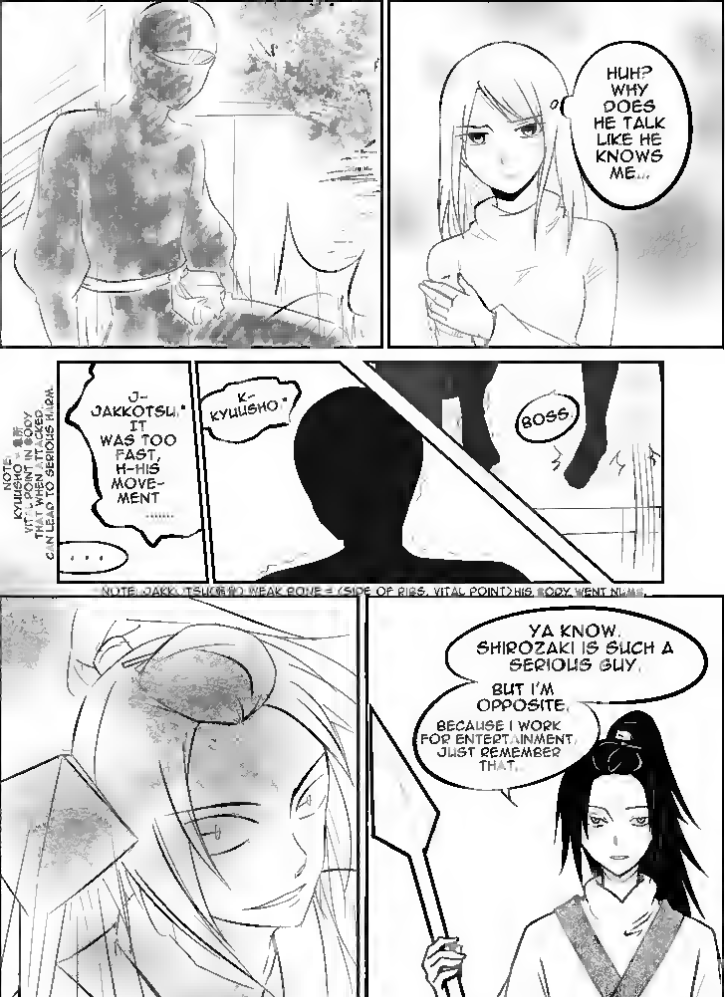
Kohaya7Kae(Artist) Note

Hello! Thank you very much for taking interest in Shinobi Blood! Me and my sister hope you will enjoy reading this series. I just want to explain stuffs, so I used this free space, I hope no one minds.

Chapters 1, 2 and 3 are like prologue chapters. I wanted to show firsthand, about the 'incident' with Izumi(the "Onee-chan"). Also a little about Shirozaki-Tohime is, as you can see, still a careless and no-clue child for now. Her training starts from here on.

But that being said, there will be a timeskip later on. And as this is a shoujo romance manga... brace yourselves for some smoo-- joke. I'm a hopeless romantic, but I'm not that used to showing too cheesy romances. Sorry for that. Although yes, this is a romance manga! So there will be fluffy / serious scenes (sometimes sexy. Maybe. Yes, maybe). Anyway, I'm pretty sure that will be quite enjoyable too



HUH? WHY DOES HE TALK LIKE HE KNOWS ME...

NOTE: KYUUSHO IS A BODY PART WHERE IT CAN LEAD TO SERIOUS HARM.
NOTE: JAKKOTSU(骨) WEAK BONE = (SIDE OF RIBS, VITAL POINT) HIS BODY WENT NUMB.
YA KNOW, SHIROZAKI IS SUCH A SERIOUS GUY,
BUT I'M OPPOSITE,
BECAUSE I WORK FOR ENTERTAINMENT, JUST REMEMBER THAT.

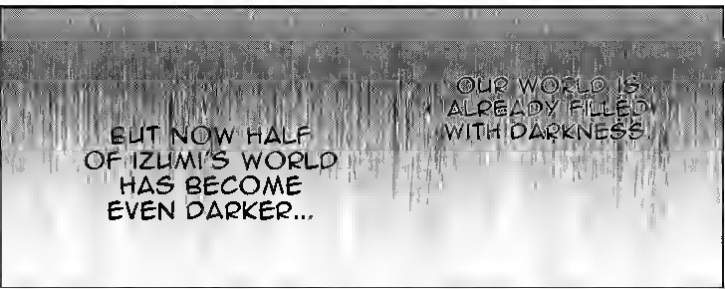
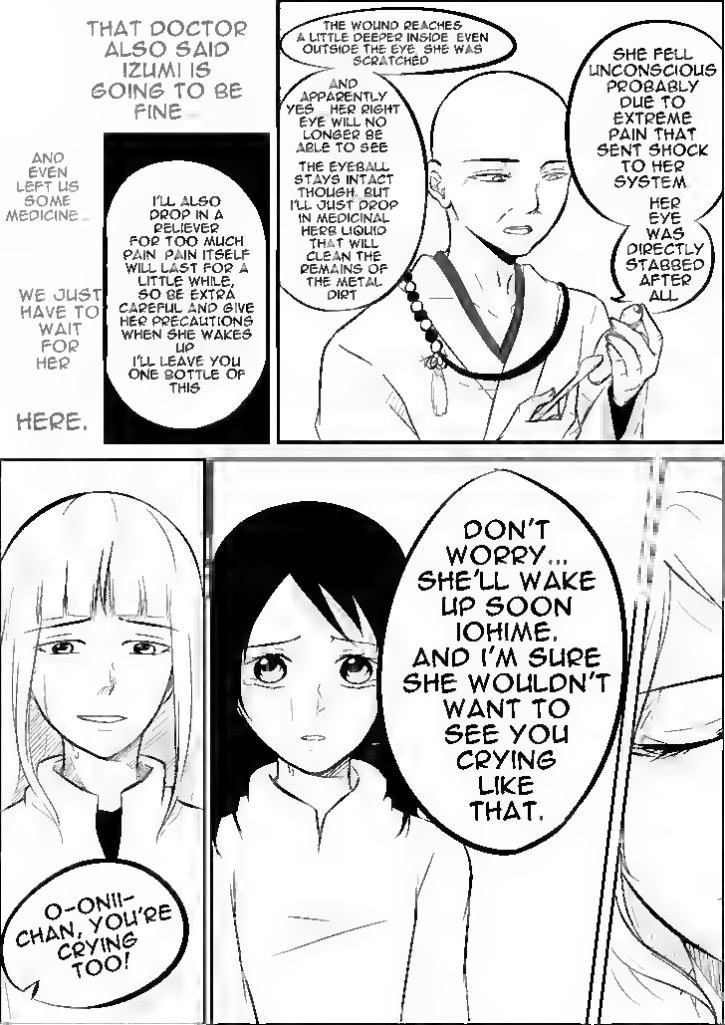
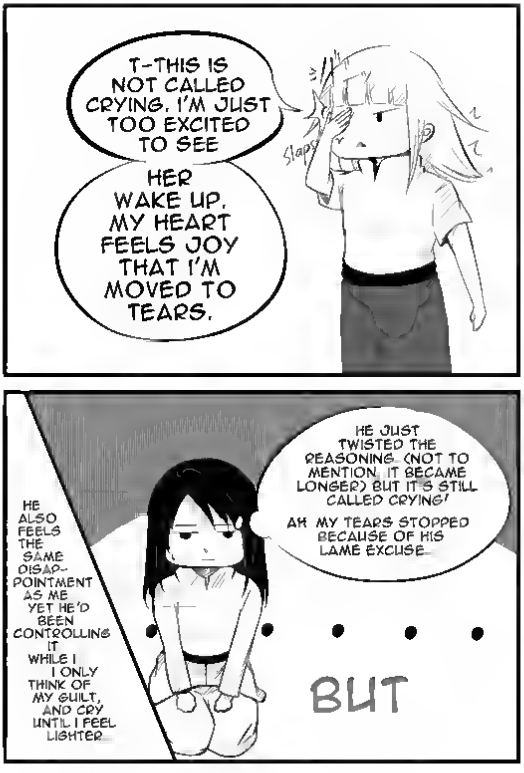
IT HAD BEEN TWO WHOLE DAYS
ONEE-CHAN ISN'T WAKING UP YET.
I CAME HERE TO TRAIN YET I
I JUST DID SOMETHING HORRIBLE.
ONII-CHAN...
I WONDER.. WHEN WILL ONEE-CHAN WAKE UP..?



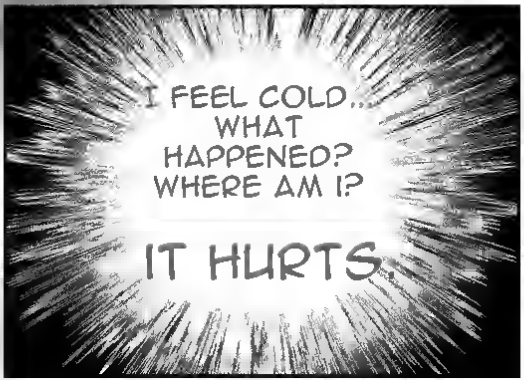
BUT NOW HALF OF IZUMI'S WORLD HAS BECOME EVEN DARKER...
OUR WORLD IS ALREADY FILLED WITH DARKNESS.



THAT DOCTOR ALSO SAID IZUMI IS GOING TO BE FINE...
AND EVEN LEFT US SOME MEDICINE...
WE JUST HAVE TO WAIT FOR HER
HERE.
I'LL ALSO DROP IN A RELIEVER FOR TOO MUCH PAIN. PAIN ITSELF WILL LAST FOR A LITTLE WHILE, SO BE EXTRA CAREFUL AND GIVE HER PRECAUTIONS WHEN SHE WAKES UP
I'LL LEAVE YOU ONE BOTTLE OF THIS
THE WOUND REACHES A LITTLE DEEPER INSIDE. EVEN OUTSIDE THE EYE, SHE WAS SCRATCHED
AND APPARENTLY YES... HER RIGHT EYE WILL NO LONGER BE ABLE TO SEE
THE EYEBALL STAYS INTACT THOUGH. BUT I'LL JUST DROP IN MEDICINAL HERB LIQUID THAT WILL CLEAN THE REMAINS OF THE METAL DIRT
SHE FELL UNCONSCIOUS PROBABLY DUE TO EXTREME PAIN THAT SENT SHOCK TO HER SYSTEM.
HER EYE WAS DIRECTLY STABBED AFTER ALL
DON'T WORRY... SHE'LL WAKE UP SOON IOHIME. AND I'M SURE SHE WOULDN'T WANT TO SEE YOU CRYING LIKE THAT.
O-ONII-CHAN, YOU'RE CRYING TOO!



T-THIS IS NOT CALLED CRYING. I'M JUST TOO EXCITED TO SEE
HER WAKE UP. MY HEART FEELS JOY THAT I'M MOVED TO TEARS.
Slap
HE JUST TWISTED THE REASONING. (NOT TO MENTION, IT BECAME LONGER) BUT IT'S STILL CALLED CRYING!
AH MY TEARS STOPPED BECAUSE OF HIS LAME EXCUSE...
BUT
HE ALSO FEELS THE SAME DISAP-- POINTMENT AS ME YET HE'D BEEN CONTROLLING IT WHILE I I ONLY THINK OF MY GUILT, AND CRY UNTIL I FEEL LIGHTER...



I FEEL COLD...
WHAT HAPPENED?
WHERE AM I?
IT HURTS.

OH.
THAT'S RIGHT.

MY RIGHT EYE...

THAT'S WHY IT HURTS.

IT HURTS, YET WHY?
IT ACTUALLY FEELS NICE
HERE... EVEN THOUGH IT'S COLD.

IZUMI...
ONEE-CHAN...
Hirozaki?
Ichime?
I...-
Wait...!
